RE: Letter of Interest for joining the Burlingame School District Board of Trustees

Dear Dr. Maclsaac and members of the BSD Board of Trustees:

I would like to express my interest in serving on the BSD Board replacing the position that will be vacated by Greg Land when he joins the San Mateo Union High School District board. I would be happy to go through any process that is required, but thought that I would start by notifying you officially of my interest.

I would be a good member of the school board for the following reasons:

- I grew up in Burlingame and attended Roosevelt School, BIS and Burlingame High. I have a long-term involvement with our schools and am committed to seeing that our schools provide the children of Burlingame an excellent education.
- My wife, Sherri, and I have two children who are in the second and third grade, and plan to be actively involved parents in our elementary and intermediate schools for the coming years.
- I served as the co-chair of the Measure D bond campaign and through that process, gained an appreciation for the funding process and the operation of the school board.
- For the last several years, I have been a member of the Bond Oversight Committee (BOC) and have a good understanding of how the capital decisions are made and how the projects for the district are handled.
- My skills in running a technology company here in Burlingame also gives me insight into technology and trends, as well as managing complex projects.

In addition, I am extremely excited that Hoover will be opening in the fall. I would be honored to join the board and continue on with the outstanding vision and direction that has built our schools into one of the main reasons that our community is so successful.

Sincerely,

Michael Jarrett
